Patient should be standing when taking measurements. Limbs should be at their smallest; limb size should be maintained from time of measurements to ensure a proper fit of the garment. Be sure to select a length (D) and a legging size (B, C). Also, select a foot size (H) if ordering a detached Juxta-Lite™ Ankle-Foot Wrap (AFW) or Comfort PAC Band™. After measuring the smallest dimension of the ankle and the largest dimension of the calf, if the measurements do not fall within one of these size ranges, call (800) 633-6334. Actual legging lengths are 28cm (Short) and 33cm (Long). **Note:** Standard offering includes one legging, one BPS™ card, one Comfort Leg Liner™ and one pair of Comfort Compression Anklets™.
